October 2009

Under Construction

Yea! We have completed wash stalls and a fresh drinking water system for our horses! Each trip to the stables reveals another completed finishing touch! You can look forward to personal halter hooks by each stall, as well as boards with each horse's name and feeding schedule. Lights for night riding are just around the corner – we're just waiting for the "go ahead" from the town of cave creek. Your patience during this construction period is greatly appreciated!

Unstoppable!

Wow! If you haven't made it out to a show to watch our riders strut their stuff, mark your calendars for upcoming shows this fall! Congratulations go out to Cameron Rusch, Mya Griffith, Kelsey McMahan, Taylor Richardson, Jen Jones, Sherri Skelton, Matt Thomas, and Cindy Schmitt for their tremendous successes at recent shows! Check below for upcoming show dates and come out and join the fun!

Ouch!

Get well wishes are extended to Taylor Richardson as she had her appendix removed this week! Taylor, we've missed you at the barn and look forward to seeing you soon!

Our Deepest Sympathies

Everyone from Trinity Stables would like to extend our deepest sympathies to Kristen Bem upon the passing of her horse, Terry. Kristen and Terry, both incredibly talented, spent many amazing years together, in and out of the show ring. Kristen, you are in our thoughts and prayers.

Saddle Club Update

It was great to see all of you at September's Saddle Club! Thank you, Jan, for preparing such a delicious breakfast for us to enjoy! We were all amazed as we watched Josh Shino, a 13-year-old National Champion from Scottsdale, show off his incredible talent as he demonstrated Country English riding on one of Trinity's newer horses, Premis. We also used Pony Beads to create crosses, necklaces, and bracelets.

FUN FACT

- ◆ Here's an outdated Arizona law that still remains in the record books: In Phoenix, you better check your spurs at the door because it's illegal for a cowboy to walk through the lobby of a hotel with his spurs on.

Reminders

- ✓ Kudos to everyone for keeping stall gates closed when you are working with your horse and keeping track of your gold pins! Woohoo!

Mark Your Calendars!
